JOGA will deduct the amount for judges before final check is dispersed.

Judges will be paid \$130 flat fee per session plus Mileage and Sit Fee. **Mileage is \$20 for 50 miles round trip or \$40 for 100 miles round trip, per competition/weekend.** If the competition has multiple sessions, the judges will be paid a \$10 per hour sit fee per judge. The sit fee time will begin when the last score is flashed. There is no sit fee for a State Championship meet.

Medals are given to you before the competition from JOGA. Individual Event and All-Around Medals for 1st – 10th place finishers will be presented. Ties will be broken except for 1st place and last place. If there is a tie for 1st place on any event or the all-around, those athletes will be awarded 1st place and considered the State Champions. The next award given will be 3rd place for a two-way tie. (If there is a three-way tie the next place given is fourth place, etc.) All other ties will be broken by the highest event score. 50 % of the age bracket should be awarded with the host club trying to keep age groups around 20 athletes per group.

\$15 Per Athlete for medals & tee shirts will be taken before reimbursement is made to the Meet Director. Remaining medals / tee shirts are to be returned to any JOGA Board Member.

MeetMaker does charge a processing fee which the host club is responsible for.
